FALL ARREST

Steve Eaton of MSA presented a fall arrest systems demonstration on April 5, 2004. Marty Brands of MSA, Tony Ranallo of Great Lakes Sales & Marketing and Timothy Olson of Safety Supply Illinois also participated in the presentation.

SAFETY DEMONSTRATIONS

Presented in conjunction with our monthly Operation and Safety meetings, David Grum has been coordinating these valuable informational seminars attended by project managers and superintendents regularly.

~ Brenda Sparks

PROPER SCAFFOLD ERECTION

John Rahilly of the Chicagoland Construction Safety Council presented a demonstraton of proper scaffolding erection and use on June 7, 2004.
